Testimony from Home!

Mestrs Motimes & Moubray: I feel it a duty to make known the benefits I have derived from Dr. Hampton's Tincture. For a length of time I have been subject to great prostration of muscular power, and great debility of the nervous system, accompanied with palpitation and fluttering of the hearts. I had such sudden attacks that on one occasion I could sarcely get home. I making mention of my case to a friend, he referred me to Joseph K. Stapleton, esq., an old and highly respectable citizen of Baltimore, who had used the Tincture under similar circumstances. I called 50 MM. Stapleton, and, after an interview of some minutes, I was fully satisfied of the medical virtues of the Tincture, from the evidence before me, of his own person, with for some time time previous, indicated a falling state of health but now a hearty, hale appearance, with the activity of youth. I immediately commenced using the Tincture, and, before I took the contents of one bottle, my strength was reserved, and I can walk as brisk and am as active as I was tours twenty years ago. This Tincture is the grand restorative of the digestive organs, which when destroyed, the whole system is in a state of suffering.

I do assert it is no humbug, but is, in reality, what it is represented to be by Dr. Hampton, the inventor.

REV. VERNON ESKRIDGE, U. S. N. PORTSMOUTH, (Va.,) Aug. 18, 1851.

Mr. J. E. Boush—Dear Sir: While I am in general opposed to Fatent' Medicines, candor compels me to state that I have great confidence in the virtues of Hampton's Vegetable Tincture. For several months past I have used it in my family, and in Dyspepsia, loss of appetite, dizziness, and general debility, with entire success. So far as my experience extends, therefore, I take pleasure in recommending it to the afflicted as a safe and efficient remedy.

I am, respectfully, yours, VERNON ESKRIDGE, Chaplain in the U. S. Navv.

elegance of style with any manufactured in this country or Europe.

Notwithstanding the scurrilous remarks made by a certain vender of the Chickering Pianos, that "the instruments made by Hallett, Bavis & Co., are worthless, perfect humbugs," &c., we can only say that we do not offer the public any but what are the genuine H. D. & Co.'s; and competent persons, honest, without prejudice, have pronounced them equal, if not superior, to any heretofore offered in this city, and at a saving of one hundred and fifty dollars! Whatever humbug there may be elsewhere, there is none here; and, on bohalf of the manufacturers, we challenge competition, and request the public to examine, judge, and decide for themselves. Late from Buenos Ayres.

Boston, May 28. The steamer Cambria brings Buenos Ayres dates to April 3d. Urquiza remained at Palermo, near Buenos Ayres, entertaining considerable distrust as to the use the inhabitants might make of their liberty. The ultimate intentions of Urquiza were involved in doubt, but it was gencally believed that he aspired to the Presidency. The state of the province was far from satisfacory. There was more inquiry for hides and tallow.

The election for judge, commonwealth attorney, clerk of the city court, and commissioner of revenue, is being held here to-day, and the sense of the voters is being taken upon the act lately passed by the legislature giving to the people the election of city officers. Judge R. H. Baker; John Williams, clerk; and F. F. Ferguson, commissioner, are all elected without opposition. William T. Hendren will, in all probability, be elected commonwealth attorney, over the present ncumbent, J. R. Hubbard. MESSRS. EDITORS: The meeting held in this Ward last evening by the friends of Gen. Several addresses, however, were delivered, and everything passed off as quietly as could have been expected.
